

Fall 2026 **CLUB 1883**

Fall has arrived at the estate, bringing a new collection of wines to explore. This release features our Grenache Rosé, crisp 100% stainless steel Chardonnay, Livermore Valley Pinot Noir, and new Clonal Selection Cabernet Sauvignons—a fun opportunity to taste and compare different expressions alongside our iconic Clone 7—along with more of your favorite estate wines. We can't wait to share them with you.

RESERVE

2025 ASSEMBLAGE BLANC

ESTATE GROWN, LIVERMORE VALLEY

ALC. 13.3% | TA 5.8 | PH 3.28 | RS 2.1 | CASES 434

TASTING NOTE

This Bordeaux-inspired white blend highlights the lively acidity of Sauvignon Blanc, balanced by the soft, silky texture of Sémillon. Aromas of honeydew melon, lychee, and ripe nectarine lead into bright grapefruit and lemon-lime notes. Fresh and vibrant, with a smooth texture and a crisp, refreshing finish.

VINEYARD

The Sauvignon Blanc is estate-grown from Lemmons Vineyard, the northernmost site in the acclaimed Crane Ridge micro-region. The Sémillon grapes are grown in our Block 20 along the Arroyo Mocho just East of Concannon Blvd and South Livermore Ave. This site has well-drained gravelly silt loam derived from river sediments. Here, the vines are naturally stressed from the gravelly loam that encourages deep root growth resulting in complex flavor development in the fruit.

VINTAGE

The 2025 vintage brought cooler conditions across the growing season, with temperatures never climbing above 100°F. Moderate weather allowed the fruit to ripen steadily, delivering balanced flavors and improved yields compared to the previous vintage, returning vineyards to more typical tonnage levels. A brief period of wet weather arrived during harvest, but most of the fruit was brought in ahead of the rain, preserving excellent quality. The year also marked an exciting step forward in the vineyard, with new Pinot Noir plantings and a portion of Syrah grafted over to Grenache and Mourvèdre, continuing the evolution of the estate's Rhône-inspired plantings.

2025 GRÜNER VELTLINER

ESTATE GROWN, LIVERMORE VALLEY

ALC. 13.5% | TA 5.7 | PH 3.34 | RS 2.2 | CASES 238

TASTING NOTE

Bright and zippy with lemon-lime zest and white peach at the forefront. A signature peppery note adds a savory edge, while subtle honeycomb brings texture and depth. Lively acidity keeps the wine crisp and refreshing through a clean, energetic finish.

VINEYARD

The grapes are estate-grown from Lemmons Vineyard, the northernmost site in the acclaimed Crane Ridge micro-region. Positioned on a north-facing slope, this vineyard benefits from steady coastal breezes and a thick morning fog, creating ideal conditions for slow, even ripening and exceptional flavor development.

VINTAGE

The 2025 vintage brought cooler conditions across the growing season, with temperatures never climbing above 100°F. Moderate weather allowed the fruit to ripen steadily, delivering balanced flavors and improved yields compared to the previous vintage, returning vineyards to more typical tonnage levels. VINEYARD

RESERVE

2025 ALBARIÑO

LIVERMORE VALLEY

ALC. 13.5% | TA 7.0 | PH 3.26 | RS 1.3 | CASES 529

TASTING NOTE

This Albariño shines with zesty lemon-lime and ripe stone fruit flavors, lifted by crisp mineral edges. Its lively acidity and delicate floral notes make it a versatile pairing—from fresh oysters to a relaxed afternoon on the patio with friends, or simply enjoyed on its own.

VINEYARD

Sourced from Bin Huong Vineyard near Ruby Hill in Livermore Valley, this site sits at approximately 900 feet elevation. The higher elevation and well-drained soils create ideal conditions for Albariño, allowing the fruit to develop bright aromatics and natural acidity while preserving the fresh character of the varietal.

VINTAGE

The 2025 vintage brought cooler conditions across the growing season, with temperatures never climbing above 100°F. Moderate weather allowed the fruit to ripen steadily, delivering balanced flavors and improved yields compared to the previous vintage, returning vineyards to more typical tonnage levels. A brief period of wet weather arrived during harvest, but most of the fruit was brought in ahead of the rain, preserving excellent quality. VINEYARD

RESERVE

2025 CHARDONNAY, STEEL SELECT

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.1% | TA 6.0 | PH 3.40 | CASES 546

TASTING NOTE

A bright, crisp expression of Chardonnay, made entirely in stainless steel with no oak influence. Fresh lemon-lime citrus and tropical pineapple lead the palate, while lively acidity keeps the wine clean and refreshing. A distinct mineral character carries through the crisp, focused finish.

VINEYARD

This wine brings together 93% Chardonnay from Big Rock Creek Vineyard and 7% Sémillon from Block 20. Just north of Arroyo Mocho Creek, Big Rock Creek's VSP-trellised vines grow in gravel- and clay-rich soils, helping preserve Chardonnay's bright, crisp character. The Sémillon adds subtle texture and roundness while maintaining the wine's fresh, mineral-driven style.

VINTAGE

The 2025 vintage brought cooler, moderate conditions across the growing season, allowing fruit to ripen slowly and evenly with balanced flavors and excellent quality. Yields also returned to more typical levels after the lighter 2024 vintage. A brief period of rain arrived during harvest, but most fruit was safely brought in beforehand. The year also marked continued evolution in the vineyards, with new Pinot Noir plantings and additional Rhône varieties taking shape.

CONCANNON®

VINEYARD

RESERVE

2025 GRENACHE ROSÉ

LIVERMORE VALLEY

ALC. 13.5% | TA 6.2 | PH 3.06 | RS 6.9 | CASES 197

TASTING NOTE

Absolutely delicious and delicately off-dry, with inviting aromas of candied strawberry, rose water, and fresh lilies. Juicy red-fruit notes bring a playful strawberry candy character, balanced by a soft, refreshing finish. Its beautiful pale ballet-slipper pink color is as inviting as the wine itself.

VINEYARD

Fans of Old World wines will recognize something distinctive about the Peppertree Vineyard. These Grenache Noir vines are head-pruned and hand-tended in the traditional Mediterranean style, growing as individual bushes rather than along a trellis.

VINTAGE

The 2025 vintage brought cooler conditions across the growing season, with temperatures never climbing above 100°F. Moderate weather allowed the fruit to ripen steadily, delivering balanced flavors and improved yields compared to the previous vintage, returning vineyards to more typical tonnage levels. A brief period of wet weather arrived during harvest, but most of the fruit was brought in ahead of the rain, preserving excellent quality. 2025 VIOGNIER

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.0% | TA 5.8 | PH 3.39 | CASES 409

TASTING NOTE

Lush and aromatic, the 2025 Viognier opens with inviting aromas of ripe peach and apricot, followed by delicate honeysuckle on the palate. Barrel fermentation brings a smooth, elegant texture, balancing generous stone fruit with bright freshness and a soft, lingering finish.

VINEYARD

Just north of the Arroyo Mocho Creek, our Big Rock Creek Vineyard boasts two blocks with an east-west orientation. At this site, the vines are VSP trellised (Vertical Shoot Position) to ensure uniform sun exposure, promoting even ripening. The vineyard derives its name from the substantial rocks deposited by this ancient tributary. The terroir in this area is distinctive, featuring elevated water-retaining gravel and clay soil, making it particularly well-suited for cultivating Viognier.

VINTAGE

The 2025 vintage brought cooler, moderate conditions across the growing season, allowing fruit to ripen slowly and evenly with balanced flavors and excellent quality. Yields also returned to more typical levels after the lighter 2024 vintage. A brief period of rain arrived during harvest, but most fruit was safely brought in beforehand. The year also marked continued evolution in the vineyards, with new Pinot Noir plantings and additional Rhône varieties taking shape.

2025 PINOT NOIR

LIVERMORE VALLEY

ALC. 13.5% | TA 5.6 | PH 3.57 | CASES 415

TASTING NOTE

A classic, elegant expression of Pinot Noir with inviting notes of cherry cola and fresh red fruit, balanced by subtle earthy mushroom character. Medium-bodied, soft, and silky, with gentle tannins and a smooth, graceful finish. Inspired by Captain Joe Concannon's belief that Pinot Noir should feel like "a rose petal in my glass."

VINEYARD

This Pinot Noir is sourced from two Livermore Valley sites: 78% Sandhu Vineyard in Kalthoff Commons and 22% Triska Vineyard. Sandhu's hillside location offers cool mornings, abundant sunshine, and natural afternoon shade, with well-drained sandy loam soils that help produce balanced, expressive Pinot Noir fruit.

VINTAGE

The 2025 vintage brought cooler, moderate conditions across the growing season, allowing fruit to ripen slowly and evenly with balanced flavors and excellent quality. Yields also returned to more typical levels after the lighter 2024 vintage. A brief period of rain arrived during harvest, but most fruit was safely brought in beforehand. 2023 ASSEMBLAGE RED

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.1% | TA 6.9 | PH 3.58 | RS 0.4 | CASES 645

TASTING NOTE

Our signature Bordeaux-inspired red blend shows a fresh, savory character in the 2023 vintage. Blackberry leads the palate, layered with aromatic notes of thyme, pine, and forest floor. Fine herbs and earthy complexity carry through the wine, with balanced freshness and a smooth, elegant finish.

VINEYARD

The grapes for Assemblage Red are grown across four blocks on our landmark Livermore Valley estate, known for its consistent gravelly soils. Cabernet Sauvignon comes from Block 7, Malbec from Block 10, and Merlot and Petit Verdot from Blocks 17 and 17B near the creek—each bringing its own character to our signature Bordeaux-inspired blend.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varietals ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. One of the finest vintages in years, 2023 yielded superb fruit with great flavors along with concentrated and balanced acids at lower sugar levels.

2023 CLONE 337 CABERNET SAUVIGNON

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.3% | TA 7.0 | PH 3.56 | CASES 428

TASTING NOTE

Clone 337 Cabernet Sauvignon offers a fun opportunity to taste it alongside our signature Clone 7 and explore two distinct expressions of Cabernet Sauvignon. Full-bodied and richly layered, Clone 337 opens with blueberry preserves and ripe dark fruit, followed by milk chocolate and toasted vanilla. The palate is generous and concentrated, with structured tannins and a smooth, lingering finish.

VINEYARD

The majority of the fruit comes from our Block 2 Vineyard, planted to Clone 337 Cabernet Sauvignon in 1999. Located just inside the main gate on the left, the vineyard is also known as our Legacy Block, named in honor of our Legacy Wine Club members. A small portion of fruit comes from the Lone Hill Vineyard on Tesla Road.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varietals ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. CLONE 30 CABERNET SAUVIGNON

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.3% | TA 7.3 | PH 3.54 | CASES 480

TASTING NOTE

A vibrant expression of Cabernet Sauvignon with pomegranate, Bing cherry, and fresh red fruit at the forefront. Subtle toasted pecan and nutty notes add depth, while a distinctive sea-breeze freshness keeps the palate bright and balanced through the finish.

VINEYARD

Sourced from the Lone Hill Vineyard on Tesla Road, Clone 30 offers a different expression of Livermore Valley Cabernet Sauvignon, with an emphasis on bright red fruit and freshness.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varieties ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. RESERVE

2020 MOTHER VINE CABERNET SAUVIGNON

ESTATE GROWN, LIVERMORE VALLEY

ALC. 13.7% | TA 6.7 | PH 3.70 | CASES 526

TASTING NOTE

Now showing the beautiful evolution of the 2020 vintage, with layers of dried fig, ripe plum, black cherry, and blackberry giving way to more developed notes of walnut, earth, and wild mushroom. Hints of caramel mocha, toasted vanilla, allspice, and black pepper add warmth and complexity. Smooth, integrated tannins carry through a soft, lengthy finish.

VINEYARD

These grapes come from our Mother Vine Vineyard and Block 7, planted to Clone 7 Cabernet Sauvignon. This historic site is where Jim Concannon established the first Concannon Clone 7 vines between 1970 and 1974. The deep, gravelly soils here promote low to moderate vigor, yielding fruit of remarkable richness and concentration. With rapid drainage encouraging deep root growth, the vines draw water and nutrients from fertile subsoils, while cooling evening breezes from the San Francisco Bay further enhance the vineyard's distinctive growing conditions.

VINTAGE

After a dry winter, the 2020 growing season began with typical temperatures and normal timing for bud break and flowering. As summer progressed, there were a couple heat waves and experienced poor air quality from the Complex Fires during the fall months. Fortunately, the smoke wasn't heavy enough in Livermore Valley to impact our grapes. The quality fruit produced balanced wines with great acidity, although the yields were slightly below average.

2023 PETIT VERDOT

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.2% | TA 6.5 | PH 3.65 | RS 0.4 | CASES 645

TASTING NOTE

Bold and structured, the 2023 Petit Verdot leans into its darker, more savory side. Black licorice and star anise lead the way, followed by juicy blueberry and a distinct mineral character. Less fruit-forward than previous vintages, with earthy depth, polished tannins, and a fresh, lifted finish.

VINEYARD

Planted along the southern bank of the Arroyo Mocho Creek, our Block 17 Ranch Creek Vineyard has well-drained gravelly silt loam derived from river sediments. Here, the vines are naturally stressed from the gravelly loam that encourages deep root growth resulting in complex flavor development in the fruit. The vineyard's north-south orientation allows the vines to savor hours of warm sunshine during the long growing season as well as the cooling evening breezes from the San Francisco Bay.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varietals ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. 2023 NINA'S CUVÉE PETITE SIRAH

ESTATE GROWN, LIVERMORE VALLEY

ALC. 13.8% | TA 6.3 | PH 3.60 | CASES 691

TASTING NOTE

A classic expression of Concannon Petite Sirah—rich and deeply flavored, yet remarkably soft, silky, and elegant. Notes of fresh-baked blueberry pie, cinnamon, and toasted marshmallow over graham cracker crust lead into warm cardamom spice. Fine, supple tannins give the wine a plush texture, carrying the generous fruit through a smooth, lingering finish.

VINEYARD

A majority of the grapes in this wine are sourced from Block 1 Heritage Vineyard. This site is a well-drained, alluvial plain with deposits of gravel and rock that contribute to the consistent production of outstanding Petite Sirah grapes year after year. The vineyard is planted in 4' x 8' rows of head-trained vines. The remaining portion of the grapes comes from Block 12.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season.
