

Fall 2025 **CLUB 1883**

Big news for fall! This release is filled with fresh discoveries and timeless favorites—introducing our very first single-varietal Cabernet Franc, a crisp Grüner Veltliner, and a vibrant new stainless steel Chardonnay. Alongside these exciting debuts, you'll also find our legendary Mother Vine Cabernet Sauvignon and the rich, bold Nina's Cuvée Petite Sirah. It's the perfect lineup to savor as the days grow cooler.

2024 ASSEMBLAGE BLANC

ESTATE GROWN, LIVERMORE VALLEY

ALC. 13.0% | TA 6.75 | PH 3.32 | CASES 504

TASTING NOTE

This Bordeaux-inspired white blend highlights the lively acidity of Sauvignon Blanc, supported by a silky texture contributed by Sémillon. Notes of gooseberry, guava, and cantaloupe lead into bright flavors of melon and juicy nectarine. The finish lingers with tropical fruit and a refreshing mineral edge.

VINEYARD

The Sauvignon Blanc is estate-grown from Lemmons Vineyard, the northernmost site in the acclaimed Crane Ridge micro-region. Positioned on a north-facing slope, this vineyard benefits from steady coastal breezes and a thick morning fog, creating ideal conditions for slow, even ripening and exceptional flavor development. The Sémillon grapes are grown in our Block 20 along the Arroyo Mocho just East of Concannon Blvd and South Livermore Ave. This site has well-drained gravelly silt loam derived from river sediments. Here, the vines are naturally stressed from the gravelly loam that encourages deep root growth resulting in complex flavor development in the fruit.

VINTAGE

Smaller yields across the Valley made for a high-quality vintage with incredible concentration. A wet 2023 and spring rains in 2024 led to fewer, smaller berries, packing in more flavor and structure. Some heat spikes in September kept us on our toes, but we navigated them smoothly to preserve balance. While the crop was lighter, the result is bold, intensely flavored wines that are built to shine.

TASTING NOTE

This Grüner Veltliner showcases vibrant aromas of white peach, orchard blossoms, and a hint of yellow chili, adding a lively peppery edge. On the palate, honeycomb and generous fruit flavors mingle with an elegant mineral texture, finishing crisp and grapefruit-tinged. Bright, zippy, and refreshing, it captures the timeless allure of Austria's signature varietal with a distinctly Livermore Valley expression.

2024 CHARDONNAY

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.1% | TA 5.9 | PH 3.40 | CASES 490

TASTING NOTE

This primarily stainless steel Chardonnay, with a small portion fermented in neutral oak, highlights the pure expression of our estate fruit without the influence of new oak. Cool fermentation preserves its bright acidity and fresh aromatics, resulting in a beautifully balanced and energetic wine. Aromas of green apple, Meyer lemon, and white peach lead into a palate of citrus zest, juicy pear, and honeysuckle, finishing clean and mineral-driven for a refreshing style that showcases the vibrancy of Chardonnay.

VINEYARD

This Chardonnay is a blend of two distinct blocks. From the Big Rock Creek Vineyard just north of Arroyo Mocho Creek, VSP-trellised vines on gravel- and clay-rich soils benefit from uniform sun exposure and the cooling influence of water-retaining soils, creating an ideal site for Chardonnay. Complementing this fruit is the north-facing Triska Vineyard, the coolest site in Crane Ridge, where constant breezes and morning coastal fog preserve bright acidity.

ALC. 14.2% | TA 6.3 | PH 3.35 | CASES 303

TASTING NOTE

Lush and aromatic, this Viognier opens with tropical pineapple and apricot, layered with white peach, honeysuckle, and a touch of lemon blossom. Barrel fermentation brings a smooth, elegant texture to the palate, balancing richness with bright, refreshing energy.

VINEYARD

Just north of the Arroyo Mocho Creek, our Big Rock Creek Vineyard boasts two blocks with an east-west orientation. At this site, the vines are VSP trellised (Vertical Shoot Position) to ensure uniform sun exposure, promoting even ripening. The vineyard derives its name from the substantial rocks deposited by this ancient tributary. The terroir in this area is distinctive, featuring elevated water-retaining gravel and clay soil, making it particularly well-suited for cultivating Viognier.

2023 GRÜNER VELTLINER SPARKLING WINE

ESTATE GROWN, LIVERMORE VALLEY

TASTING NOTE

This lively Sparkling Grüner Veltliner bursts with crisp citrus, white peach, and a hint of green apple, layered over delicate notes of yeast and biscuit. A creamy mousse of fine bubbles lifts honeycomb and grapefruit zest across the palate, finishing with a refreshing mineral edge.

VINEYARD

The grapes are estate-grown from Lemmons Vineyard, the northernmost site in the acclaimed Crane Ridge micro-region. Positioned on a north-facing slope, this vineyard benefits from steady coastal breezes and a thick morning fog, creating ideal conditions for slow, even ripening and exceptional flavor development.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varieties ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. One of the finest vintages in years, 2023 yielded superb fruit with great flavors along with concentrated and balanced acids at lower sugar levels.

SPECIAL RELEASE

This Fall, our Les Blancs Pack has a special twist. In collaboration with our sister brand, Almost Famous Wine Company, we're thrilled to share two vibrant selections: a crisp Sparkling Grüner Veltliner and a refreshing Rosé of Grenache. These wines mark an exciting moment in our shared story, as Almost Famous prepares to move full-time into our historic Barrel Room, transforming it into a wine country concert venue in 2026. Beginning with the 2025 harvest, every bottle in your club releases will proudly carry the Concannon label.

2024 ROSÉ OF GRENACHE

ESTATE GROWN, LIVERMORE VALLEY

ALC. 12.0% | TA 6.4 | PH 3.24 | RS 6.1 | CASES 195

TASTING NOTE

This dry rosé is made in the style of the Provencal pinks of southern France, which prioritize nuance and refreshment above all else. Swirl it in your glass to reveal subtle aromas of almond blossom, rose petals, summer grasses and strawberry. The strawberry note proceeds through each sip through the finish, where it is joined by a kiwi note that lingers through the finish.

VINEYARD

The grapes are estate-grown from Peppertree Vineyard. These Grenache Noir vines are grown and hand-pruned and tended in the Mediterranean style, as individual bushes. The name of the vineyard comes from the ancient Peppertree on the other side of the building.

VINTAGE

Smaller yields across the Valley made for a high-quality vintage with incredible concentration. ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.7% | TA 6.1 | PH 3.75 | CASES 580

TASTING NOTE

Juicy strawberries, cranberries, and light red fruit burst from the glass, accented by a hint of orange zest. On the palate, mixed berries mingle with subtle notes of pine and clove, framed by mocha undertones and finishing with a lingering, spiced warmth.

VINEYARD

Our Zinfandel comes from Block 21, a small 1.68-acre vineyard located on the west side of Concannon Boulevard. Here, VSP-trellised vines thrive in gravel- and clay-rich soils that retain water while ensuring even ripening through uniform sun exposure. This unique site yields fruit of concentration and balance, shaped by both the soil's structure and its cooling influence.

2022 CABERNET SAUVIGNON - MALBEC

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.5% | TA 6.6 | PH 3.68 | CASES 174

TASTING NOTE

Beautifully structured, this Cabernet Sauvignon–Malbec blend bursts with black cherry, blueberry, and a hint of sassafras on the nose. On the palate, layers of blackberry and licorice unfold with depth and complexity. Firm tannins and a touch of chewiness frame the fruit, leading to a smooth balance and a long, memorable finish.

VINEYARD

The Cabernet fruit came from our Estate Block 7 vineyard. The deep, gravelly soils in this vineyard promote low to moderate vigor, encouraging the vines to produce rich, concentrated fruit. Water drains quickly in this soil which compels deep root growth for accessing water and nutrients found in the rich subsoils below. The Malbec is from Block 10.

VINTAGE

The growing season was consistent and mild. Signs pointed to an early harvest until a late August/early September heat wave pushed ripening in some blocks, resulting in a quickened harvest pace. But September rain brought a sigh of relief, refreshing the vines and allowing more hang time for the remaining grapes. Overall, the result was concentrated and flavorful fruit, creating great acid balance.

TASTING NOTE

This vintage of Mother Vine Cabernet Sauvignon reveals a captivating bouquet where dark chocolate and mocha intertwine with bright red cherry, cranberry, and blackberry notes. On the palate, these flavors persist alongside cinnamon and toasted vanilla, framed by a soft mouthfeel and evolving tertiary complexity. Its bright acidity and structured tannins lead into a velvety finish, hinting at the wine's exceptional aging potential.

VINEYARD

These grapes come from our Mother Vine Vineyard and Block 7, planted to Clone 7 Cabernet Sauvignon. This historic site is where Jim Concannon established the first Concannon Clone 7 vines between 1970 and 1974. The deep, gravelly soils here promote low to moderate vigor, yielding fruit of remarkable richness and concentration. With rapid drainage encouraging deep root growth, the vines draw water and nutrients from fertile subsoils, while cooling evening breezes from the San Francisco Bay further enhance the vineyard's distinctive growing conditions.

ESTATE GROWN, LIVERMORE VALLEY

ALC. 14.5% | TA 6.5 | PH 3.76 | CASES 161

TASTING NOTE

The 2019 Clone 7 Cabernet showcases compelling notes of rich, red fruit with hints of cocoa powder and cedar on the nose. This wine is loaded with ripe fruit flavors of blackberries and dark cherries. Hints of baking spice and pepper complement a lengthy finish with well-integrated tannins and balanced acid. This Cabernet is gorgeous right now and will age gracefully for years to come.

VINEYARD

Known as the pinnacle of our estate, this 15-acre block is planted exclusively with our historic Clone 7 vines. This sustainably farmed vineyard produces exceptional fruit for this limited release and is meticulously monitored and handcrafted, using only the best fruit and barrels from the vintage. Clone 7 exemplifies the art of winemaking at Concannon, showcasing layers of complexity and nuance.

VINTAGE

March rains delayed bud break and the region experienced beautiful weather during flowering, leading to great fruit set. The mild weather provided an even growing season and longer hang time, allowing the fruit to develop more concentrated flavors. Yields were lighter than in 2018, but similar in bold flavors, fresh acidity and pretty aromatics.
