

Spring 2026 **CLUB 1883**

Spring has arrived at the estate, and with it comes one of our most exciting releases yet. This collection features our inaugural Sparkling Sauvignon Blanc, our Livermore Valley Pinot Noir, vibrant Albariño, and our Best of Class-winning Chardonnay, along with more of your favorite estate wines. And there's more to celebrate! We were just voted Best Winery in the East Bay. Thank you for being part of the Concannon story.

TUNA TARTARE

with Avocado inside crispy Wonton Cups

Ingredients list:

12 square wonton wrappers

Vegetable spray

1/4 cup mayonnaise

1 tablespoon of Sriracha

1 avocado, peeled and pitted

1/2 jalapeno pepper, seeded and finely diced

1/4 cup red onion, finely diced

1 tablespoon lime juice

1/4 teaspoon salt

1/8 teaspoon pepper

7 ounces of sushi grade tuna, finely chopped

1 tablespoon soy sauce

1 teaspoon sesame seeds, toasted

Garnishes:

Scallions

SHOPPING LIST

STEP 1

Preheat the oven to 375 degrees. Lightly spray each cup of a muffin tin with cooking spray. Gently press wonton wrappers into each cup so that the wrapper takes its shape. Lightly spray the wonton wrappers with the veggie spray and bake for 8-10 minutes or until brown and crispy.

STEP 2

While the wonton wrappers are in the oven, combine the mayonnaise and sriracha in a small bowl. Cover and refrigerate until ready to serve.

STEP 3

In a medium bowl, mash the avocado with a fork. Stir in jalapenos, red onion, lime juice, salt and pepper. Mix well to combine.

STEP 4

Chop the tuna into small pieces cutting against the grain. Add soy sauce and toasted sesame seeds and stir to combine.

STEP 5 - ASSEMBLE

Once the wonton wrapper has completely cooled, place a teaspoon of avocado mixture in each cup. Top with a teaspoon of the tuna mixture. Add a small dollop of sriracha mayo over the tuna and garnish with 2 green scallion slices. Enjoy!

2024 SPARKLING SAUVIGNON BLANC

LIVERMORE VALLEY

ALC. 12.6% | TA 7.6 | PH 3.28 | RS 15.7 g/L | CASES 621

TASTING NOTE

Crafted in the traditional méthode champenoise, this dry Sparkling Sauvignon Blanc opens with bright citrus, green apple, and delicate white blossom. Lively acidity and fine, persistent bubbles carry through to a crisp, mineral-driven finish with refreshing precision.

VINEYARD

These Sauvignon Blanc grapes are estate-grown from Lemmons Vineyard, the northernmost site in the acclaimed Crane Ridge micro-region. Positioned on a north-facing slope, this vineyard benefits from steady coastal breezes and a thick morning fog, creating ideal conditions for slow, even ripening and exceptional flavor development.

VINTAGE

Smaller yields across the Valley made for a high-quality vintage with incredible concentration. A wet 2023 and spring rains in 2024 led to fewer, smaller berries, packing in more flavor and structure. Some heat spikes in September kept us on our toes, but we navigated them smoothly to preserve balance. While the crop was lighter, the result is bold, intensely flavored wines that are built to shine.

12 Months On Tirage

Tirage is refers to how long the wine ages in the bottle on the yeast after the bubbles are created. This is a key step in the traditional method used for many high-quality sparkling wines. That time gives it finer bubbles, a creamier texture, and more complexity.

TASTING NOTE

This vintage opens with bright layers of tropical guava, honeysuckle, and juicy peach. On the palate, lively lemon zest and a subtle hint of jalapeño bring freshness and lift. Crisp, expressive, and unmistakably Livermore, this wine captures the vibrant character of our region's signature white grape — a classic with energy in every glass.

VINEYARD

A majority of the fruit comes from Lemmons Vineyard (64%), the northernmost site in the Crane Ridge micro-region, where a north-facing slope, coastal breezes, and morning fog encourage slow, even ripening. The remaining 34% comes from Triska Vineyard, the coolest site in Crane Ridge, where fog and steady winds create a Loire-like microclimate ideal for Sauvignon Blanc.

VINTAGE

The 2025 vintage brought cooler conditions across the growing season, with temperatures never climbing above 100°F. Moderate weather allowed the fruit to ripen steadily, delivering balanced flavors and improved yields compared to the previous vintage, returning vineyards to more typical tonnage levels. A brief period of wet weather arrived during harvest, but most of the fruit was brought in ahead of the rain, preserving excellent quality. The year also marked an exciting step forward in the vineyard, with new Pinot Noir plantings and a portion of Syrah grafted over to Grenache and Mourvèdre, continuing the evolution of the estate's Rhône-inspired plantings.

VINEYARD

Sourced from Bin Huong Vineyard near Ruby Hill in Livermore Valley, this site sits at approximately 900 feet elevation. The higher elevation and well-drained soils create ideal conditions for Albariño, allowing the fruit to develop bright aromatics and natural acidity while preserving the fresh character of the varietal.

A bouquet of honey blossom and caramel apple teases the senses, offering a preview of the wine's sumptuous palate. Vibrant fruit and floral nuances evolve into deeper layers of honeycomb and stone fruit that glide across the palate. Subtle notes of citrus buttercream and guava add complexity, leading to a long-lasting finish.

VINEYARD

Just north of the Arroyo Mocho Creek, our Big Rock Creek Vineyard boasts two blocks with an east-west orientation. At this site, the vines are VSP trellised (Vertical Shoot Position) to ensure uniform sun exposure, promoting even ripening. The vineyard derives its name from the substantial rocks deposited by this ancient tributary. The terroir in this area is distinctive, featuring elevated water-retaining gravel and clay soil, making it particularly well-suited for cultivating Chardonnay.

VINEYARD

The Grenache for this GSM is grown at the Carter Vineyard located behind the winery. The Syrah block is next to the winery crush pad and the Mourvèdre is grown just across Tesla Road in our Ranch Creek Vineyard.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. The grapes matured at a slow and steady pace, until many varietals ripened simultaneously, prompting a compressed harvest that kicked off on September 13th, the latest start we've seen since 2011. ALC. 14.2% | TA 6.2 | PH 3.59 | CASES 471

TASTING NOTE

This Merlot is all about balance and depth. Aromas of ripe plum, black cherry, and baking spice rise from the glass, leading into a smooth palate layered with raspberry and soft mocha. Gentle tannins give it just enough structure, and a hint of cocoa and toasted oak carries through the finish. Easy to enjoy, easy to share, and built for the table.

VINEYARDS

The Merlot is sourced from Block 17 along the southern bank of Arroyo Mocho Creek, where gravelly, well-drained soils have long drawn comparisons to the Médoc in Bordeaux. That natural structure translates beautifully into the wine, bringing polish, balance, and a timeless sense of restraint. The Cabernet Sauvignon comes from Block 7, planted to our historic Clone 7. This is the very site where Jim Concannon established the first Concannon Clone 7 vines between 1970 and 1974. Deep gravel soils encourage low to moderate vine vigor, producing fruit with richness and concentration. Excellent drainage supports deep root systems, while cool evening breezes from the San Francisco Bay help preserve balance and freshness throughout the growing season.

VINTAGE

The vintage began with generous winter rains that replenished the soils, followed by a cooler spring and summer that extended the growing season. The long, steady ripening allowed the fruit to develop excellent flavor while maintaining natural balance and freshness. 2023 delivered beautifully structured fruit with vibrant character, balanced acidity, and moderate sugar levels, making it one of the most memorable vintages in recent years.

TASTING NOTE

Bright aromatics meet layered fruit in this beautifully balanced Estate Cabernet Franc. Notes of juniper, perfumed florals, and ripe blueberry lead into a bramble-driven palate of strawberry, blackberry, and subtle herbal tones. Refined tannins and balanced structure carry through to a smooth, lingering finish that feels both fresh and quietly complex.

VINEYARD

Fruit for this vintage was sourced from two sites: a large majority from Block 15, a 4.5-acre Estate block planted in 2017 to Cabernet Franc Clones 11 and 12 and now in prime production, and Lemmons Vineyard on Crane Ridge, a north-facing site influenced by morning fog, daily Pacific winds, and gravelly loam soils shaped by the Greenville Fault.

VINTAGE

The vintage was marked by abundant rains that nourished the soils before a cooler spring and summer created a long growing season. VINEYARD

A blend of Estate vineyard blocks including Block 2, and Chavez Vineyard located in South Livermore off Vineyard Ave. The Petit Verdot comes from our Block 17 located off Concannon Blvd along Arroyo Mocho Creek.

VINTAGE

Seasonable warm temperatures and cool nights led to a long growing season for 2018. The Livermore Valley did not see any late rains which allowed our winemaking team to let the fruit hang and mature slowly. This produced beautifully ripe fruit with intense rich flavor concentration. 2018 is sure to be a vintage to remember.

From the first swirl, aromas of mocha, blueberry, and blackberry waft from the glass and engulf the senses. The 2020 vintage continues to showcase the deep, balanced black fruit and oak flavors for which the Concannon Clones are acclaimed for. Beautifully textured with well-integrated tannins and a smooth, long-lasting caramel mocha finish, this vintage is a showstopper.

VINEYARD

Known as the pinnacle of our estate, this 15-acre block is planted exclusively with our historic Clone 7 vines. This sustainably farmed vineyard produces exceptional fruit for this limited release and is meticulously monitored and handcrafted, using only the best fruit and barrels from the vintage. Clone 7 exemplifies the art of winemaking at Concannon, showcasing layers of complexity and nuance.

VINTAGE

After a dry winter, the 2020 growing season began with typical temperatures and normal timing for bud break and flowering. As summer progressed, there were a couple heat waves and experienced poor air quality from the Complex Fires during the fall months. Fortunately, the smoke wasn't heavy enough in Livermore Valley to impact our grapes. The quality fruit produced balanced wines with great acidity, although the yields were slightly below average.

A true standout from the Mother Vine. Bright raspberry and red currant lead into layers of dark chocolate and toasted vanilla, supported by fine-grained tannins and a long, elegant finish. Beautiful now, with exceptional aging potential ahead.

VINEYARD

These grapes come from our Mother Vine Vineyard and Block 7, planted to Clone 7 Cabernet Sauvignon. This historic site is where Jim Concannon established the first Concannon Clone 7 vines between 1970 and 1974. The deep, gravelly soils here promote low to moderate vigor, yielding fruit of remarkable richness and concentration. With rapid drainage encouraging deep root growth, the vines draw water and nutrients from fertile subsoils, while cooling evening breezes from the San Francisco Bay further enhance the vineyard's distinctive growing conditions.

LIVERMORE VALLEY

ALC. 14.1% | TA 6.4 | PH 3.62 | CASES 696

TASTING NOTE

Inspired by Captain Joe Concannon's strength and enduring spirit, this bold, small-lot Petite Sirah opens with deep layers of blackberry and ripe plum grounded by rustic earth and dark spice. Structured and complex yet inviting, the palate delivers rich, concentrated fruit supported by firm tannins and a lasting, powerful finish. A commanding wine with depth and character, crafted to honor a legacy that helped shape California wine.

VINEYARD

A majority of the grapes in this wine are sourced from Block 1 Heritage Vineyard. This site is a well-drained, alluvial plain with deposits of gravel and rock that contribute to the consistent production of outstanding Petite Sirah grapes year after year. The vineyard is planted in 4' x 8' rows of head-trained vines. The remaining portion of the grapes comes from Block 11.

VINTAGE

The growing season was consistent and mild. Signs pointed to an early harvest until a late August/ early September heat wave pushed ripening in some blocks, resulting in a quickened harvest pace. But September rain brought a sigh of relief, refreshing the vines and allowing more hang time for the remaining grapes. Overall, the result was concentrated and flavorful fruit, creating great acid balance.
