2017 PETITE SIRAH

LIVERMORE VALLEY

ALC. 14.9% | TA 5.2 | PH 3.78 | CASES 215

TASTING NOTE

Beautifully matured after years in our cellar, this wine pours an inky black hue with evolved aromas of caramel, espresso, and dried raspberry. The palate is rich and seamless, with softened brambly dark fruit, polished tannins, and warmly integrated oak. A poised, expressive vintage drinking beautifully today.

VINEYARD

The grapes that make up this Petite Sirah come from our Heritage Vineyard on the right of our winery entrance. This special vineyard has been planted to Petite Sirah since 1970. The vines are head-trained, and it's the oldest vineyard block in Livermore. Warm days followed by the cooling maritime influences of the Pacific Ocean cultivate flavor, complexity and beautifully-balanced acidity, a hallmark of our Heritage Petite Sirah wines.

VINTAGE

Robust rains in early 2017 helped remove minerality buildup that had been accumulating over the recent drought years. Overall 2017 was a great growing season, the grapes experienced some high heat in early September although, they returned to a normal ripening cycle by the beginning of October, making for a very good harvest.

2018 CABERNET SAUVIGNON

LIVERMORE VALLEY

ALC. 14.5% | TA 5.9 | PH 3.67 | CASES 209

TASTING NOTE

Now showing beautiful maturity, this Estate Cabernet opens with warm baking spices and a layered palate of red cherry, blackberry, and black plum. Subtle notes of toffee, vanilla, and dark chocolate emerge alongside soft, integrated tannins and seamlessly woven oak. Full-bodied, balanced, and expressive, this wine is aging gracefully and drinking beautifully today.

VINEYARD

The Cabernet fruit came from our Estate Block 7 vineyard. The deep, gravelly soils in this vineyard promote low to moderate vigor, encouraging the vines to produce rich, concentrated fruit. Water drains quickly in this soil which compels deep root growth for accessing water and nutrients found in the rich subsoils below.

VINTAGE

Seasonable warm temperatures and cool nights led to a long growing season for 2018. The Livermore Valley did not see any late rains which allowed our winemaking team to let the fruit hang and mature slowly. This produced beautifully ripe fruit with intense rich flavor concentration. 2018 is sure to be a vintage to remember.
